

The background of the entire page is a deep blue gradient representing an underwater scene. Sunlight rays filter down from the top, creating a shimmering effect. In the upper right, two sea turtles are swimming. In the lower left, two dolphins are swimming. In the lower right, a large school of small fish is swimming. In the bottom right corner, there are a few more small fish and a small crab. The word "ILLUMINATION" is written in a large, white, hand-drawn style font with a slight glow effect. The letter "O" is significantly larger than the others and is positioned above the rest of the word.

ILLUMINATION

CASTING A LIGHT ON RARE DISEASE

THE **CLAYCO** FOUNDATION

SPONSORSHIP PACKAGE

JOIN US FOR ILLUMINATION

A vibrant Halloween party where artistry and philanthropy unite. Set amidst a radiant spectacle of interactive installations and glowing processions, this event is more than just a celebration. It's a chance to support rare disease research, specifically RVCL, in a playground of light. Engage with illuminated characters, participate in fiery parades, and immerse yourself in the delightful luminosity. Your participation helps us shine a light on the path to discovery. Let's illuminate the night, and the future of RVCL research, together.

When

SATURDAY, OCTOBER 28, 2023

DINNER: 7:00 PM - 9:00 PM // HALLOWEEN PARTY: 9:00 PM - 2:00 AM

Where

VERTIPORT CHICAGO HELIPORT

1339 S WOOD STREET, CHICAGO, IL

What

This year's Illumination will take place as an underwater Halloween experience that invites visitors into a hauntingly beautiful and unique environment. Throughout the evening you will meet curious characters that will share a story of oneness through a series of performances and one-on-one interactions. If we come together as a community to help one another, we can push much further than where we can go on our own.

An underwater scene with a blue gradient background. Sunlight rays filter down from the top. In the upper right, two sea turtles swim. In the lower left, two dolphins swim. In the lower right, a school of small fish swims. In the bottom left, another school of small fish is visible. The text 'LION LILLIATION' is centered in a white, stylized, hand-drawn font.

LION LILLIATION

THE **CLAYCO** FOUNDATION

The Clayco Foundation supports basic, clinical, and translational research with the goal of finding a cure for RVCL. Money donated to this 501c3 organization only goes to support scientific studies and clinical trials that have been reviewed and vetted by a scientific advisory board, a medical review board, and appropriate regulatory agencies.
